<i>Virtual Badge and Pin</i> |
|  | Egyptian Dig– 100 points
<i>Virtual Badge and Pin</i> |  | 2018 Summer Reading Finisher
<i>Virtual Badge</i> |

Things to Remember About Beanstack:

The children's program will be logging days only. Please do not log books, activities or minutes, even though you will have the option in your account.

Beanstack allows the option of creating an individual account or a family account. With a family account, parents are able to keep track of logs for the whole family within one account. Family accounts and individual accounts cannot be merged, so when creating your account, please decide which type of account(s) would work best for your family.

When creating an account for a child, choose the grade level the child will be entering in the fall.

If you prefer to not receive weekly book recommendations, wait until your account is all setup, then go into your preferences and uncheck Weekly Book Recommendations. If you choose not to receive the book recommendations at registration, you will not receive recommended weekly events either.

Although an email is not required to register, you will be unable to reset your password if an email is not provided upon registration. You will also be unable to use the Beanstack app.

Call us at (847) 683-4490, or start a chat on our website, if you need assistance with Beanstack.

Ella Johnson Library Summer Reading Program Grades 1-6

Your goal this summer is to earn 200 points by reading at least 15 minutes a day for 40 days. The program runs from June 1st–July 31st, so you'll have 61 days to reach your goal. By participating in the Summer Reading Program, you can earn ten virtual badges, a lanyard, eight pins to add to the lanyard, a free book, a coupon pack and a raffle ticket for a Kindle Fire! Are you up for the challenge?

Here's how it works:
First, you'll visit <https://ellajohnsonlibrary.beanstack.org> to register yourself for the program. Once you register, you'll receive your first virtual badge.

Every day that you read for at least 15 minutes, sign-in to your Beanstack account to log the day of reading. You can also log your reading on your paper log, but don't forget to log it into Beanstack as well!

The program will give you 5 points for each day of reading, and it will automatically tally up your points. After you reach 25 points (5 days of reading), you'll receive another virtual badge, and you can come to the library to claim your lanyard and first Reading Goal Pin. For every 25 points you earn after that, you'll receive another virtual badge and a matching pin to add to your lanyard. You can check in at the library after every 25 points you earn, or wait until the end and collect all of the pins at once.

When you reach 200 points, or 40 days of reading, you've successfully completed Ella Johnson Library's 2018 Summer Reading Program!

*Please check the backside of this log for important notes about Beanstack
