Things to Remember About Beanstack:

Beanstack allows the option of creating an individual account or a family account. With a family account, parents are able to keep track of logs for the whole family within one account. Family accounts and individual accounts cannot be merged, so when creating your account, please decide which type of account(s) would work best for your family.

When creating an account for a child, choose the grade level the child will be entering in the fall.

If you prefer to not receive weekly book recommendations, wait until your account is all setup, then go into your preferences and uncheck Weekly Book Recommendations. If you choose not to receive the book recommendations at registration, you will not receive recommended weekly events either.

Although an email is not required to register, you will be unable to reset your password if an email is not provided upon registration. You will also be unable to use the Beanstack app.

Call us at (847) 683-4490, or start a chat on our website, if you need assistance with Beanstack.

Ella Johnson Memorial Library Summer Reading Program

Your goal this summer is to earn points that will earn you rewards by mixing and matching reading, volunteering, writing book reviews and attending events!

The program runs from June 1st-July 31st, so you'll have 61 days to reach your goal. By participating in the Summer Reading Program, you can earn a free book, a coupon pack and a raffle ticket for a Kindle Fire and other gift baskets! Are you up for the challenge?!

Here's how it works:

First, you'll visit <https://ellajohnsonlibrary.beanstack.org> to register yourself for the program. Once you register, you'll receive your first virtual badge.

Every day that you hit a goal, sign into your Beanstack account to log the activity or book you completed. When you reach 100 points you have completed Ella Johnson Library's 2018 Summer Reading Program! However, if you'd like to earn more chances to win one of the gift baskets, keep on logging in to earn more points that will give you additional raffle tickets.

*Please check the log for important Beanstack
